Location:

We look forward to working with you. For time management, please email us your clothing sizes (chest, waist and pant size) so that we may pick out suits for fitting. Please also include a current snap shot of yourself.

We shoot between 3 and 5 outfits.

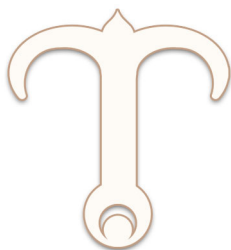

Test shoots are not paid, but you will receive a bikini of your choice (availability varies) and some edited samples (5-10) of your photos for your portfolio use.

For the day of the test shoot, it is recommended you bring shoes (heels) as this will help the photos look more polished. Hair and make up, style as you normally would.

If you have any questions, please do not hesitate to contact us.

If for some reason you cannot make this time, please let us know immediately.
